### AVOUCHING!

All” voices are necessary for human liberation, enlightenment and transformation.

- How Deliberate!
- How Affirming –

We are commending politicians, attuned citizens, universal civil societies, dissidents and activists, who do not market “self” - but preserve, serve and nurture the interest of the common good unabatedly,- through the unyielding spirit of organized activism and individual efforts, to further social and environmental justice compounded with human worth, which prevent electoral voting, human rights, and human virtues from becoming a misnomer .....

What a Democracy!

No civility -

We vote and pay taxes, which promote duplicity and facilitate: bigots and toxic propagandize messengers, who fuel and perpetuate a climate of hate and a culture of deceit – Corporatism – Dualism! Insidious military and prison industrial complexes – “In concert”: Tragic flaws! Toxic Judiciary – economic colonialism – corporate greed- state repression- police brutality – gun culture – trafficking – body hunters – repressive and regressive legislation – systemic racism – poverty – perpetual war passwords, under the guise of terrorism – electronic surveillance and branding – genetic terrorism – pathogens - body scanners – domestic wire tapping – opaque indefinite detention without trial – political prisoners – electoral fascism – genetic engineering – toxic waste...

Silent voices! Quiescence – Dark Side – State of Doom

Warning! Admonishment – Be awake! Be cognizant –

Wake-up humanity! Wake Up! Wake Up!

The voiceless must be transformed!

If not, in time the medium of expression will be relegated and “we” the inhabitants of these United States- (New World Order – “Ordeal”) – will be state less – human robots – As power is “seeded” to plutocrats, oligarchs and stock holders, who will appoint/select the President of this Republic. No Electoral College! – “No Supreme Power of the People” – People’s voice – side lined – Muted

Be vigilant!

What is Participatory Democracy?
