

Oh! H2O

Ethical – Principled!

*Pure water is a public right – a fundamental human right –
A right to odorless, tasteless and pure water –*

Drum! Drum! Drum!

*The hunt continues – continues! Water engineers – water Hunters!
Corporate Cartels and proxies creating universal water ordinance – Water for
Profit schemes! Profit water/water everywhere – Bottled water – Bottled water!
Everywhere – Fracking!*

Is water synonymous with nature?

Are they water Gods? Rain Giver – Water Giver!

Drum! Drum! Drum!

*What about the Yoruba Goddess Oya – and Olokun –
The Baganda – Mukasa –
The Dogon No' Mo' -*

Oh! Sango – Sango/Shango!

International executives interferences!

Who writes water ordinances?

Who preserves water – who protects water?

Who regulates water?

What is legal, and ethical?

What is moral, odorless, tasteless and pure? Water!

Water cartels are on a rampage – rampageous: Pakistan, India, Saudi Arabia,
Bangladesh, the Caribbean, South and Central America, Africa, United
States of America, Britain, the Middle East etc.

Take stock – examine who controls the “life line” – Water! Yes! Water is the
“life line”–

Be alert – no destruction!

All body functions depend on it – all are vulnerable!

Drum! Drum! Drum!

Take a stand for the essence of life – Water! Yes! Water – Becoming a misnomer -

Splash! Splash! Splash!

Oh! H2O
