

NOW – LATER!

At present time – moment! Transitional – Oh! Transitory – translucent!
Unravel the sea of human consciousness – animation! Consciousness transformed
– innocence of time – Oh! Innocence of Possibilities – Possibilities!
Primitive man needs a God as creator of the world! His world – his word as
expressed in “Hug the Light” – Tidbits! Who ID? Who Ego? Who super Ego? Who
Totemism? – First form of religion! Comfort! Who, sister and brother hordes?
Great Mothers – collaboration? Father Deity – unlimited power – subjugation!
Omnipotence of thoughts – development of human culture – higher intellectual
progress – Matriarchal structure of society – be silent – Meditate! Return to the
Light! Now – later! Separate the threads – perceptions! Battle for identities!
Patriarchal supremacy – Domination! Awards/Tributes can compromise identities
and hinder human development! Learning should take place. Oh! Pedophilia -
Pedophilia – Theocracy! Sanskrit Text mind set - Moralistic supremacy! Alpha
male! War on the human spirit; food as a weapon –sustenance - innocence –
manipulation of the unconscious: adults, educators, instructors, mentors, doctors
etc. Knowledge base – Orthodox this – orthodox that! 2nd century AD Talmudic
Rabbis cultural infusions, preying on human societal vulnerabilities! Sacred
addictive barbarism/predatoriness! Gut wrenching screams! Now – later!
Concepts of various manifestations! Coercive Agrarian imperialism – Plantocracies –
Land – Industrial utopian concepts! Global Modernization experiments –
modernism/modernity – political anarchy – social engineering – slavocracies –
Climate conflicts - climate crisis – corporate consumerism societies – militant
fascists – oligarchical conforming Empires – violence of industrialization –
distractions – created fantasies – trappings – fraudulent/deceitful nationalism –
greed – rape – pedophilia – ideological toxicities – consumer capitalism projects:
banking, loans, aid, credit, trade, cultural exchanges. Failed states plutocracies,
amplifying degenerated concepts on societies! Military and prison industrial
complexes – Global destabilization – Proxy wars! “Commercialization of Nature
and space” – to some “America’s birth right”. Pick one – Theo/God – Theomaniac/
Alpha male syndrome – emperor/empress! Colonialization! Now – later – no
herdsman – no social amnesia! Critical consciousness and uprightness are the key
– No “carrot and stick”! Be sensitive and compassionate! All humans are
vulnerable. Open the “Eye the Eye”! Be transformative!

NOW – LATER!
