BOOTY/PLUNDER/SPOIL!

Ethic of Peace and war! Yoga!

Who compromised and customized our innate Psyche and spirituality?

Who conditioned, manipulated and reinforced our consciousness?

Rhythm! Rhythm! Breathe the Breath! No chanting – No Hymns – No Rituals – No

Myths – No Sanskrit Text – No warrior codes – No charter myths – No agrarian

Imperialism – No structural universal racism – Breathe the Breath! Rhythm! Rhythm!

Unravel this equation and we will restore our Psyche and innate Spirituality!

Indo-European = Sanskrit Texts = Rig Veda = “addiction to organized cruelty, violence and theft” / sacred barbarism/predatoriness = Aryans less than “Noble” = Zoroaster less than Devas less than Asuras less than Indra = cosmic dragons = Alpha male = patriarchal = aristocratic rulers = entitlement = structural universal racism! Oh! Dasas/Dasyu/Shuras – institutionalized devastation! Integration = Roman and Persian rule! Empires – Corporatism!

“Life depends on the destruction of other creatures.”
