

The Struggle of Pan

The struggle of Pan
Is not just a Trinidad thing
It is a Caribbean Saga.
Remember --- restrictions ---
Conflicts ---
Stigma attached in associating with a
Pan-mahn and the Drum ---
But the beat continues ---
White color, blue color
And thing --- all benefiting
So
Evergreen pays tribute to the drum,
Pan, Panman and Panwoman
As we continue the tradition of struggle
And sacrifice, for the common good.
Names of members ---
The struggle of pan and the drum
Is not just a Trinidad thing ---
It is a Caribbean Saga
But the beat continues ---
Continues.
