Rhythm! Rhythm! Rhythm! Drum! Drum! Drum!  
Can Nature be a guide for Planetary Holism? What about Totemism?  
What about Pneumatology (spiritual beings)? Innateness!  
Oh! Planetary Beings – Humans! Breathe – Exhale – Inhale – Rotate –  
Right – Left! Vibrate! Humanity – Oh! Human Family – Think Critically!  
We Dig – we excavate – we dehumanize – we toxify - we oxidize – we drill – we  
frack – we fossilize - we oxygenate – we ventilate – we consume – we dump –  
we kill with impunity – we plunder – we engineer spills – we manufacture - we  
excrete – we deposit – we carbonate – we seed – we leak – we bathe – we drink  
we surf – we fish - we eat – we subjugate – we Democratize Demagoguery - we  
perpetuate Universal Summary Justice – we are Immune from Crime against  
Humanity – we perpetuate Universal Collective Summary Justice and Regime  
changes in countries – we manipulate consciousness and World Economies -  
we facilitate Mercenary Activities - we subvert other countries assets – we  
consciously impoverish and Sabotage Nation States! We! We! We! Absolute  
We! Exceptionalism!

Drum! Drum! Drum! Rhythm! Rhythm! Rhythm!  
Are they Planetary Health Protocols and Indexes? What about Planetary  
Education? Seas – Oceans – Rivers – Lakes – Streams – Land Fills – Oh! Landfills  
- Recycle this – Toxify that! What about other life forms – wildlife etcetera?

Rhythm! Rhythm! Rhythm!  
(Oceanographers claim that it would take an estimated 67 ships a year to clean  
up less than 1% of the Great Pacific Garbage Patch-..) What about Plastic  
pollution? What about Coastal Tourism? What about the Homeless? What  
about the Prison Industrial Complexes – What about Marine plants, species and  
Biodiversity? What about the Criminal Justice/Injustice System Universally?  
What about the International Criminal Court? What about the People of Gaza?  
Plastic here – Plastic there – Galactic Plastic! Intergalactic!  
Rekindle the Mind Beings! Afrikaans!

(It is estimated that the oceans are saddled with 8 million pieces of plastic pollutions 5.25 Trillion macro and micro plastic pieces floating in the open ocean weighing up to 269,000 tones.) Plastic inside – Plastic outside – Trans galactic! Are you aware that of all marine debris studied, plastic makes up 60 to 90%? What about Polystyrene packaging – so called Styrofoam? Is Styrofoam impacting the environment? Think Beings! Critical Consciousness! Will the Dolphins Walk Again! What about the female Hammer Head Sharks? What about them? What about climate refugees? Are there any?
